

24-26 JULY 2019
ICC SYDNEY DARLING HARBOUR

See us at Australia's largest security event, the Security Exhibition & Conference this July in Melbourne.

We're excited to exhibit at Security 2019 when it returns to Melbourne from 24-26 July at the ICC Sydney. From physical and electronic solutions to biometrics and cyber security, Australia's largest security event offers three days of business networking and intelligence sharing.

For over three decades the event has provided a showcase for new and innovative security technologies and solutions. Whether you are looking for a solution to protect your property, people or assets, or wanting to learn about the latest trends and technology, the Security Exhibition & Conference provides the opportunity to discover the solution that is right for your organisation.
